## WHAT IS THE MINOR LEAGUE BASEBALL ALUMNI ASSOCIATION?

The Minor League Baseball Alumni Association was established in 2001 to **CELEBRATE** the contributions of the players,

coaches, managers, umpires, front office personnel, clubhouse staff and gameday workers who have dedicated their time and talent to the game of Minor League Baseball.

The alumni association is committed to building relationships between the current Minor League Baseball family and all of the participants who once called a Minor League Baseball park home. Through these relationships, alumni association members can help educate future players and fans, participate in activities to promote the growth of baseball and **CELEBRATE** their part in **HISTORY** with others who shared their **DREAM**.

Minor League Baseball has laid the foundation for the alumni association. With the support and participation of alumni around the country, the association is maturing into a vital and interactive part of the Baseball Community.

Relive your Glory Days of baseball and join the Minor League Baseball Alumni Association today!
